🎓 EDUCATION

- B.Sc. in Software Engineering**, *Addis Ababa Science and Technology University* 📄
• **CGPA:** 3.79
• **Relevant Coursework:** Data Structures & Algorithms, Web & Mobile Application Development, Machine Learning, Computer Networking, Distributed Systems.
Sep 2020 – Jun 2025
Addis Ababa, Ethiopia
- Full-Stack Web Development**, *Evangadi Coding Academy* 📄
• Completed an intensive training program in modern web development using React, Node.js, Bootstrap, Firebase, and jQuery.
Nov 2023 – Jun 2024
Addis Ababa, Ethiopia
- Competitive Programming and Coding Academy**,
Africa To Silicon Valley (A2SV), backed by Google 📄
• A2SV trainee with a strong foundation in data structures and algorithms (Solved **800+** problems on LeetCode 📄 and Codeforces 📄) and hands-on experience in mobile application development.
Dec 2023 – Dec 2024
Addis Ababa, Ethiopia

💼 PROFESSIONAL EXPERIENCE

- Software Engineer**, *Eskalate LLC* 📄
• Contributed to the development of an e-commerce mobile application using Flutter and BLoC, focusing on scalable feature design, API integration, and performance optimization while collaborating with designers and backend engineers to deliver a seamless user experience.
Jun 2024 – Sep 2024
Addis Ababa, Ethiopia
- Web Development Intern**, *InterTechHub* 📄
• Developed responsive front-end components for web platforms, integrating APIs and optimizing performance to improve user experience, while collaborating with cross-functional teams to streamline development workflows and ensure efficient project delivery.
Nov 2024 – May 2025
Addis Ababa, Ethiopia
- Backend Developer**, *Ethioware EdTech Initiative* 📄
• Built backend services for a mental health app using Node.js, Express, and MongoDB, integrating APIs with the frontend team to support smooth feature delivery, while designing secure data handling processes to protect sensitive user information and ensure system reliability.
Feb 2025 – May 2025
Addis Ababa, Ethiopia
- Product Associate**, *Qismati (Freelance)* 📄
• Contributed to feature planning and coordination during the app's closed beta phase, working with developers and designers to refine user flows, gather feedback, and improve overall usability.
May 2025 – Sep 2025
Addis Ababa, Ethiopia

📁 PROJECTS

- CryptoSentinel**, *Blockchain-Based Transaction Monitoring Platform* 📄
• Developed a fintech platform using the Hedera network to track and verify cryptocurrency transactions with real-time analytics, providing transparent monitoring and enhanced security for financial institutions.
- ParentaLink**, *School Communication Management System* 📄
• Built a secure school communication platform with real-time messaging and notifications, role-based access, and optimized data management to streamline parent-teacher interactions and manage student records efficiently.

🏆 AWARDS

- 3rd Place – MedaCare Platform (Startup Competition)**,
Safaricom Talent Cloud Program, Awarded by Gebeya Inc 📄
Co-developed a Flutter-based healthcare app and delivered a winning live demo and pitch.
21 Jun 2025
- Presidential Award**, *Associated with Addis Ababa Science and Technology University* 📄
Honored for exceptional academic performance (Semester GPA: 3.83), awarded to top students for outstanding dedication and excellence.
